WANIA ALAM

AI /ML DEVELOPER

Karachi, Pakistan | waniya1423@gmail.com

SUMMARY

Motivated AI/ML Developer and Software Engineering student with a strong foundation in Python, machine learning, data analysis, and software development. Passionate about building intelligent solutions and applying AI techniques to real-world problems. Eager to contribute to remote, collaborative projects while gaining hands-on industry experience through structured mentorship. Strong problem-solving, communication, and teamwork skills with a commitment to continuous learning, professional development, and delivering high-quality results in fast-paced environments.

SKILLS

Problem Solving	Python	Version Control Git &Github
Communication	Machine Learning Algorithms	Visual Studio Code
Teamwork	Data Visualization	Object Oriented Programming

PROFESSIONAL EXPERIENCE

AI / ML Intern(Remote) , DecodeLabs. July 2026

- Worked with Python and AI/ML libraries such as NumPy, Pandas, and Scikit-learn.
- Strengthened problem-solving, analytical thinking, and software development skills through hands-on projects.
- Assisted in developingmachine learning models for real-world applications

EDUCATION

Bachelor of Software Engineering **January 2024 – Present**

Jinnah University for Women

PROJECT

AI Based Movies Recommendations Application

- Developed a machine learning-based movie recommendation system to provide personalized movie suggestions based on user preferences and similarity analysis.
- Collected, cleaned, and preprocessed movie datasets to improve data quality and recommendation accuracy.
- Implemented recommendation algorithms using Python and Scikit-learn to generate relevant movie recommendations.
- Documented the project workflow, methodology, and results following software development best practices.

ADDITIONAL INFORMATION

- **Languages:** English, Urdu
- **Certifications:** Foundation of Python, Google AI essentials, Python Hackathon
- **Awards/Activities:** Volunteering, Head of Event Team at Google Developer Group on Campus, Director at JTech (University Event), Oral Presenter at Iccyd Conference
